April is Child Abuse Prevention Month

HELP CREATE AWARENESS WITH THE LAKE COUNTY CHILDREN'S ADVOCACY CENTER
• Blue Kids Program •

April is Child Abuse Prevention Month. Here are some ways your business can help create awareness:

- Display the Blue Kids table top sign in your lobby and meeting areas.
- Have your employees wear the bracelet "Protecting Children of Lake County" and encourage them to wear blue during the month of April.
- Wear a blue lapel pin creating awareness on the cause during the month of April.
- Place the "Spread Awareness ~ Stop Child Abuse" sticker on the front doors of your establishment.
- Put blue pinwheels in the lawn area of your business (pinwheels are a National sign of hope for kids).
- Pass out blue lollipops during the month of April.
- Friday, April 3, 2020 is "Dress in Blue Day". Encourage your staff to wear blue to work that day to show support for preventing child abuse and neglect.
- Post information on your departments social media sites creating awareness about Child Abuse Prevention Month.
- Have materials for staff in break areas about abuse and how to keep their kids safe.
- Network with a local charity to raise awareness and collect funds to support the cause.
- Display literature in common areas on Stress Management and Importance of Family Bonds.
