Help Create Awareness With The Lake County Children's Advocacy Center

April is Child Abuse Prevention Month. Here are some ways your agency can help create awareness:

-  Display the Blue Kids table top sign in your lobby and meeting areas.
-  Have your department wear the bracelet "Protecting Children of Lake County".
-  Wear a blue lapel pin during the month of April.
-  Place the "Spread Awareness ~ Stop Child Abuse" sticker in your squad car and on the front doors to your department.
-  Put blue pinwheels in the lawn area of your department.
-  Have your SRO hand out blue suckers during the month of April.
-  Wednesday, April 14, 2021 is "Dress in Blue Day". We encourage you to wear blue that day - to work, to school, to a community event - to show support for preventing child abuse and neglect.
-  Post information on your departments social media sites creating awareness about Child Abuse Prevention Month.
-  Network with your local schools to raise awareness.
-  We always welcome you to think of your own ways to show support during the month of April.

If your department needs additional materials about Blue Kids, please feel free to contact:

Chris Burnside-Newman or Carrie Wings
