

What is BLUE kids?

Blue Kids is a program of the Lake County Children's Advocacy Center (LCCAC) and works in collaboration with other Lake County partners to keep every child safe and every community aware.

We invite you to get involved!

CREATE AWARENESS: We want to encourage our local businesses, schools and community to have conversations about child abuse in Lake County. Engaging people to speak up and creating public awareness can be an integral approach to preventing child abuse.

ENGAGE YOUTH: Promoting peer-to-peer dialogue and empowering children to start a conversation.

ENCOURAGE EDUCATION & PARTICIPATION: Advocating that all children deserve a chance at a safe childhood. Everyone's support makes this possible.

**APRIL IS CHILD ABUSE PREVENTION MONTH...
HELP KEEP EVERY CHILD SAFE!**
