“The work of my predecessors have paved the way for a Children’s Advocacy Center that excels based on solid relationships and a dedicated staff. They have set the bar for not only their legacy to continue, but for the children in Lake County to receive a comprehensive response while being provided compassion and justice.”

**“WITHOUT THE SUPPORT OF OUR DONORS, AND ALL THE MULTI-DISCIPLINARY PARTNERS, THE LCCAC WOULD NOT BE AN INTEGRAL PART OF THE COMMUNITY. OUR SUCCESS IS CONTINGENT ON THEIR LOYALTY.”**
